

## Annual Meetings of the EVPC

The inaugural meeting of the EVPC was held at the Veterinary School of Maisons Alfort in Paris (France) on the 27th September 2003.

Subsequent meetings have comprised an annual General Business Meeting and a Scientific Symposium in the form of an advanced continuing professional education workshop.

EVPC members may view the minutes of the business meetings in the Members Section of this website.

From 2005, the proceedings of the scientific workshop have been published in *Veterinary Parasitology* ([www.sciencedirect.com](http://www.sciencedirect.com)).
